

Introducing the “A Scout is Reverent” Summer Camp activity patch

By doing your duty to God and demonstrating that a "A Scout is Reverent," youth and adult can earn a brand new patch at Summer Camp. Even if you aren't going to a Circle 10 Council camp, you can still earn the patch.

The requirements are easy:

1. Attend a worship service if offered at their camp.

In the event the camp does not offer a worship service, the unit may conduct a Scout's Own service or vesper service on its own or in conjunction with other units.

2. Lead grace a before a meal or other event.

This can be done on at a camp-wide meal or in the unit's campsite.

To permit youth to fulfill this requirement, adults seeking the award should refrain from leading grace at camp-wide meals but ought to lead grace in the unit's campsite.

3. Participate in at least three devotional activities, either by preparing and delivering a devotional or attending the devotional. It is preferred that this occur within the unit at its campsite. Adults may complete this requirement by assisting youth in preparing devotionals.

4. Become informed about the Religious Award for your faith: (Do one of the following)

a. Youth must learn about the Religious Emblem of their faith and age group.

b. If a Scout has already earned his faith's Religious Emblem, he must help explain the award program to another Scout.

Note: Adult leaders must commit to help make a presentation on the Duty to God Religious Emblems program at a troop meeting or to serve as a counselor in their local faith community or troop for the Religious Emblems Program.
